Municipal Rate Struck at 27 Mills

At a special budget meeting of council held on Thursday, April 18, present were Mayor Fowler, Councillors Bakker, Lukay, Wheatley, Gibbon and deBruijn.

During the meeting a mill rate was set for municipal taxes (not including school and hospital levy, requisitions which have not as yet been received) of 27 new mills.

Since the last tax levy there has been a general

reassessment of all the properties in the town, resulting in an increase of total assessment from \$15,239,167, to \$17,200,000. And though the mill rate has decreased from 31 mills in 1967 to 27 mills in 1968 the total reduction in all taxes levied in the town is reduced by \$8,000 or approximately 1/2 a mill.

Once again this is the municipal part of the taxes

only and the demands from schools and hospital could result in an increase in total levy and thereby increased taxes for this year.

The meeting also discussed at considerable length the water works operation and tabled this matter until the next budget meeting.

Also tabled after some discussion was the question of new premises for the R.C.M.P., who must leave their present location due to termination of the lease and the renting of the property to another tenant.

The mayor in discussing the water system stated economies would be effected but no permanent employees would be released.

Lloyd Hopkins Gets Soccer Post

Mr. Lloyd Hopkins of St. Albert has recently been appointed as first vice-president of the Edmonton and District Metropolitan minor soccer association.

Soccer has always been of consuming interest to Mr. Hopkins and for the past two years his has been the guiding hand behind the soccer program in St. Albert. He played on many representative teams in England before coming to Canada.

Two years ago he joined the Hercules Sports Association as manager and coach. The sport is a family affair in the Hopkins household and Mrs. Hopkins is almost as involved with the

game as her husband.

She has been a spectator since she was seven years old. Now she is principle cheer leader at matches and chief applier of band-aids, not to mention her hard work behind the scenes.

Mr. Hopkins helped to write the constitution of the Metropolitan soccer association and his appointment as first vice-president is a great honour.

We in St. Albert can bathe in his reflected glory and be grateful that we have men of his calibre living in our community.

Mr. Hopkins is financial administrator of the United Community Fund.

Curling Trophies Awarded at Ball

St. Albert Curlers held their third Annual Wind-up Ball at the Mocombo, April 19. The evening featured the presentation of trophies and awards, a delicious buffet supper and dancing to the music of the Golden Alto's. Emcee was Bob "guess who won B event" Hudson.

Skip Roger Comeau (right) with Frank Comeau, Lawrence Kluthe and Moise Comeau pose with the large Simpson-Sears trophy which goes to the champions in the Men's League.

Curlers to Plan Expansion

At their annual meeting Monday, April 29, St. Albert curlers will be taking a good look at ways and means of expanding their building upstairs. Many curling events are staged here annually and these are attracting more and more entries and enthusiasm each season. Membership in the club is growing and the curling rink is a progressive sporting facility in St. Albert. The executive is of the opinion that now is the time to get started on this expansion. The opinions and ideas of all the members will be welcomed at the annual meeting and it is hoped that both old and newer members will turn out in large numbers to join in the discussions and present their ideas.

Committee reports will be given and officers will be elected at this meeting for the coming year.

Skip Bernice Forss (right) with Bea Krough, Martha Belcher and Mrs. Bosch who were awarded the Northwestern Utilities trophy as Ladies Champions.

Energetic boys under the supervision of members of the Town staff and Parks and Recreation head, Andre Gate, got their Sanctum hut erected before our eyes last Wednesday. Pictured here are Barry Liddell (facing camera) Jens Oster and Roy Grant (looking up), putting in roof beams.

Public Helping Teen's Sanctum

The St. Albert young people, who have been working in some considerable numbers on the drive for donations to their new coffee house, report that people have been very generous and also encouraging in their remarks to the collectors. "This encouragement makes us hope that their confidence will not be proved misplaced and we wish to thank everyone who is helping us in this way", said president Edith Kennedy.

Bouquets Give Books

The Father Lacombe Chapter I.O.O.F., will again conduct their annual "Bouquets for Books" canvass. Proceeds this year will be donated to the St. Albert Public School district and the St. Albert Protestant Separate School district for the purchase of books for the school libraries. A house to house blitz will be held April 29 to May 3. Grade 11 and 12 students from Paul Kane and St. Albert High will be assisting with the canvassing. Flowers will be delivered in time for Mothers' Day.

Braeside and Mission areas have been covered and calls in the Sturgeon and Grandin areas will be completed tonight. On Thursday evening the teens have arranged to pick up items donated. Such things as furniture, appliances, oil drums games, radios, tools, curtains, coat hangers, paint, cutlery, dishes, gunnysacks, fire extinguishers etcetera are welcomed. Anyone having something to contribute who may be missed in the

drive, is invited to telephone Jens Oster (599-8103) or Albert Kennedy (599-8482). Cash donations are always welcome of course.

When this drive is completed work will resume nightly on the coffee house, where there is still a great deal to do by way of cleaning and painting the interior. The management committee meets each Monday evening, when reports from the various committees are heard, and they are expecting some exciting ideas from the design group in the near future.

Teens are showing their enthusiasm for the project by coming out in full force both for the collecting of furnishings drive and work parties at the coffee house. With continued co-operation they are hoping to have the Sanctum open for use by the end of May.

Town Approves Site for Kindergarten Hut

At a regular council meeting held on Monday, April 22 present were Mayor Fowler, Councillors Lukay, Wheatley and Gibbon.

Council accepted the recommendations of the staff that the Creative School Society Building "be erected on the north side of the present storage building at Salisbury Avenue".

Mr. Orysluk of the provincial government was present at the request of council, to enlarge on refusal of the urban renewal proposal, but was unable to

add very much in the way of additional information. It appears St. Albert has not a sufficient degree "of blight" to qualify.

A lengthy discussion took place on the engineer's proposal to instal a water main in the Lakeview subdivision from the railway crossing as far as the town dump. Engineer Mandaag estimated cost of this project at \$32,000. The matter was tabled. This was followed by a discussion of the school bus traffic on Bishop Street

Cont'd on Page 2

Gazette Sports

Tie For First in Cycle Trial

Northern Wheelers held two events on the St. Albert Trail on Sunday afternoon. The times were very slow in both races as a result of the gale-force winds.

In the 10 mile time trials there was a dead heat for first place, both Jack Opderheyde and Tony Raven recording 36.37. Third was Mark Raven in 39.36. All three were from St. Albert.

Peter McCaffery of St. Albert went down to Red Deer to ride in a combination event consisting of a 10 mile time trial and a 15 mile Australian pursuit. The event was won by Kevin Sirols of Red Deer with a time of 1:10:27. Peter was sixth, three and half minutes behind.

AUSTRALIAN PURSUIT
Of the many types of bicycle racing one of the most exciting is the Australian Pursuit. In this event, the

riders are sent off in several groups; the slowest first and the faster ones at intervals of several minutes (hence the title "Pursuit").

Each group attempts to catch the groups in front and the front groups try to stay away from the riders behind. The riders in a particular group help each other by taking turns at the front and thus partially sheltering their team-mates from the wind. The technique is similar to that used in motor racing and known as slipstreaming.

There is no time for the riders to relax and as a result, many may get dropped from each group in the course of a race. As the race progresses, the groups usually tend to bunch up and at the finals, this large bunch often has a long dash for the line, the best sprinters usually taking the honors.

Boxers Do Well

Calgary - Provincial Boxing Championships.

It was agreed that the match for the 105 lbs championship featuring Don Wilson of St. Albert and Wayne Schneider of Acme was the best match of the championships. Wayne Schneider won the match and was voted the best junior boxer while Don Wilson was voted the best looser of the tournament.

Two St. Albert boys won the northern division of the provincial championships. Don Wilson represented the north in the 105 lbs class and Wayne Dorn was the 125 lbs representative. On Saturday April 20 they competed in Calgary with the winners from Southern Alberta and the N.W.T., for the provincial championships. Both boys from the St. Albert Club lost out in the finals but were very worthy representatives from Northern Alberta and St. Albert.

The provincial championships make up the Alberta team to compete in the Canadian Olympic trials which will be held in Edmonton in May.

Watch for the Olympic Trials in May, they are a boxing exhibition you won't want to miss.

Something New in Choir Concerts

An evening of musical fun for the whole family is promised when the St. Albert United Church Choir, under the direction of Lillian Upright, presents "May Musicales" at the church on Friday, May 3 at 8:30 p.m.

Departing from the usual repertoire of sacred music, the choir will sing an entertaining variety of Negro spirituals, Canadian folk music, and hit show tunes. Featured soloist, tenor Richard Leggett, will be

heard in a medley of favorites from "The Sound Of Music".

Of special appeal to teens will be the appearance of a newly formed St. Albert folk group, "The Blew Phrogg", whose sound promises to be every bit as intriguing as their name.

Whatever your age, you'll find something to delight you at "May Musicales", coming Friday, May 3, at the United Church.

Around Town

The regular monthly meeting of the St. Albert Womens' Institute will be held April 30 at the home of Mrs. Lorne Atkins. Guest speaker will be Mr. Richard G. Wheatley who will discuss points of law of particular interest to women. Roll call will be written questions to be answered by Mr. Wheatley.

Saturday, May 4 is Girl Guide Cookie Day. Local guides and brownies will be selling the vanilla and chocolate cookies at 50¢ per box. Proceeds will support the many guiding activities.

The St. Albert U.C.W. are holding a rummage sale at the Queen's Hotel, April 27 at 9 a.m. Anyone wishing to donate articles is asked to deliver them to Mrs. Rasmussen, 14 Gretna Place or phone 599-6974 for pickup.

Anyone curious enough to

take a look into the new teen coffeehouse last Friday would have seen a squad of local students working like mad with scrub pails, mops and brushes. The Sanctum was getting a real scouring of the interior and President Edith Kennedy had thoughtfully brought along two burly young men to help supervise the operation and keep everybody working in an orderly manner.

There is no charge for any item carried in the Around Town column. This represents a change from former policy when a \$1 charge was made for money-making events. Such items should be kept to short copy for inclusion as a Gazette community service.

Registration for Children's Ceramic Classes is on Saturday morning at 9:30 a.m. in the St. Albert community hall basement. A limited number of children aged 6-12 years can be accommodated. Classes will run Saturday mornings from 9:30 - 11, from now until June.

Kindergarten Hut

Continued from Page 1

and staff was instructed to obtain information regarding the buses using this area with a view to having some

of these buses re-routed via Sir Winston Churchill Ave. First reading was given to amend zoning by-law 9/68 to change the land use of the parcel of land on Grandin Road immediately south of the Lutheran Church from single unit to multi unit dwellings.

It was agreed to accept a proposal from Mr. Voyer to lease premises to the R.C.M.P., although this means an increased cost to the town of approximately \$1700 per year. It appeared to be the only course open to council.

The request by the St. Michael Street residents for improvements in the road and sidewalks was given to the staff to obtain further information as to what improvements were required.

The meeting adjourned at 11:15 p.m.

Miss Barbara Arnold presents a handsome souvenir curling rock to Kurt Schinkinger on behalf of the club for his services as president in the 1967-68 year. Barbara is the ladies representative on the club executive.

People make News

Mr. and Mrs. Milton Fawcett and family of 11 Balmoral Drive, St. Albert spent Easter weekend in Jasper.

Reni La Franchise of St. Albert has been elected president of the Alberta School Bus Operators Association at their 9th annual convention held in Edmonton last weekend.

Mrs. J. G. Brindle, 2 Sylvan Drive, has been elected to represent the Father Lacombe Chapter at the National Convention of the I.O. D.E., to be held next month at the Chateau Lacombe.

St. Albert delegates to the Alberta Teachers' Association annual representative assembly held April 15-18 at the Calgary Inn were Lowell Thordson, Lloyd Deutscher, John Kaminsky, Ray Blinnette and Brian Manson.

Mrs. W. G. Kirkpatrick, 1 Greenview Crescent, attended the Provincial Annual I.O.D.E. meeting, held in Calgary April 8, 9 and 10. Mrs. Kirkpatrick brought back reports on provincial activities to all officers.

The oldest, most comfortable clothes you have will be just right for the Hard Times Dance this Saturday evening at the St. Albert Community Hall. Members of the St. Albert Legion have a gala evening of dancing and food planned, and it's been awhile since we've had a Hard Times do in town. Gather up your friends and plan to be there.

Annual Meeting and Election of Officers

Monday, April 29 at 7:30 p.m.
at the Curling Rink

All curlers are urged to attend this important meeting and to participate in the discussions of the new Building Program.

David Luellan Edwards, son of Mr. and Mrs. L. Edwards, of 7 Perron Street, St. Albert, was engaged in the R.C.M. Police on October 10, 1967. He has been posted for duty in the Province of British Columbia after having completed his Recruit Training at Depot Division, Regina, on April 10, 1968.

St. Albert

Recreation News

BADMINTON

The St. Albert badminton club recently held their final club tournament. The results were as follows:

Winners of open events: Mens Singles - Peter Kuechler.

Mens Doubles - Peter Kuechler and Norman Waunch, Ladies Singles - Judy Wood, Ladies Doubles - Judy Wood and Cecile Martindale.

Mixed Doubles - Barb and Ted Cornwell.

Consolation event winners:

Mens Singles - Al Morris, Mens Doubles - Al Morris and Pat Waunch.

Ladies Singles - Beryl Harding.

Ladies Doubles - Barb Munro and Germaine Mitchell, Mixed Doubles - Beryl Harding and Frank Carnahan.

The club had 43 active members last year and a particularly successful season is now over.

TENNIS

In spite of the weather, the tennis courts were extensively used by our younger citizens during the Easter holidays. Enquiries regarding membership in both the Senior and Junior sections of the Tennis Club should be directed to Jack Harding at 599-7313. Instruction will start in May.

CHARM CLUBS

The next afternoon meeting will be held on April 29 at 1:30 p.m. at 27 Balmoral Drive. The evening club continues to meet on Thursdays at 8 p.m. at 6 Gordon Crescent.

Board Hears Father LaFrance

Trustees Fraser, Mirlin, O'Hara and LaBelle were present, as was the secretary treasurer, at the April 2 meeting of the St. Albert School Board, District 3.

It was moved that the secretary treasurer notify Sunalta Appraisals Ltd., that if the insurance appraisal can be made within the next 30 days the board will accept the tender at the quoted price of \$1,465,00.

Father LaFrance appeared before the board at this point and presented a short brief on behalf of the parish of St. Albert.

His introduction was "In the Alberta Catholic School

System religious instruction is considered a major importance for the education of Catholic Students."

After reviewing the general atmosphere of religion with the academic area of education he closed his remarks by stating:-

"The Church's involvement in the field of education is demonstrated especially by the Catholic School. No less than other schools does the Catholic School pursue cultural goals and the natural development of youth. But it has several distinctive purposes. It aims to create for the school community an atmosphere enlivened by the gospel spirit of freedom and charity. It aims to help the adolescent in such a way that the development of his own personality will be matched by the growth of that new creation which he became by baptism. It strives to relate all human culture eventually to the news of salvation, so that the light of faith will illumine the knowledge which students gradually gain of the world, of life and of mankind."

Mr. Fraser thanked Father LaFrance for his submission and advised him that the matter would be studied at greater length.

The meeting adjourned to a committee of the whole for a two hour period.

Applications of Miss B. Parsons and Miss L. McCaffery for attendance at the leadership course in May, 1968, at the University of Alberta, were approved and registration fees will be paid for both.

As Mr. Deutscher and Mr. Raboud suffered unfortunate family bereavements simultaneously, Vital Grandin School was left without a person in authority, and the board appointed Mr. Chaput as acting principal.

The meeting adjourned at 10:45 p.m.

14th Anniversary United Church

Sunday, May 5th is the date chosen to celebrate the anniversary of the Church, which was founded in 1954. Rev. Peter Ream of Fort Saskatchewan, immediate past-president of Alberta Conference will be the pulpit guest at both services. A buffet lunch and social hour will follow the second service. It is hoped that many former members of the congregation will take advantage of this opportunity to visit the church and meet with old friends.

One of the high points of the year in the Church is the time when a group of young people publicly profess their faith and are received into full membership. Last Sunday, seven teenagers took this momentous step, together with three adults. Fourteen other adults were received into membership by transfer from other churches.

By Profession of Faith: Mr. Donald Keith, Mr. Donald Kostashen, Mr. Wm. Clark, Miss Deborah Pachal, Mrs. Carolyn Craig, Miss Janice Larkins, Miss Bobi Varner, Miss Sandra Keith, Mr. Brian O'Toole and Mr. Glenn Jacobson.

By transfer: Mrs. Marjory Kostashen, Mr. and Mrs. John Fleming, Miss Margaret Fleming, Mr. and Mrs. M. Glennie, Mr. and Mrs.

R. Scharf, Mrs. Tena Bannerman, Mr. and Mrs. Ken Fehr, Mrs. Pat Ralphs, Miss Doreen Ralphs and Mrs. June Wiltshire.

Mr. Hal Sambell, candidate for the United Church Ministry from St. Albert United Church and for some time resident of St. Albert, graduates from St. Stephen's College, Edmonton on Wednesday, May 1st. The Convocation ceremonies will be held in the Students' Union Building Auditorium of the University at 8:00 p.m. Four years ago Mr. Sambell reached the decision to leave his previous employment and way of life and prepare to enter the ministry. Next Wednesday marks the culmination of four years of effort and sacrifice. Many of his friends from the town and district, together with members of the United Church congregation, will wish to attend the Convocation as a way of expressing their good wishes to Hal Sambell.

Mission Hill News

A memorable event in the lives of about one hundred and eighty Grade II children took place last Sunday when they gathered at Mass with their families and friends to receive their First Holy Communion. Parents and teachers under the guidance of Father Levangle, have been busy preparing the children for this great event in the context of the new Catechism course. Of special significance were the wearing of the symbolic liturgical robes by each First Communicant; and a table set with bread and wine just as it was at the Last Supper.

The Legion of Mary is pleased to announce that Father McGraw, a missionary in foreign missions, will preach at the 9:30, 11, 12:30 and 7:30 Masses next Sunday in our parish. Father McGraw spent a number of years in mission work in China before he was deported by the Communists. He has since devoted his time to the Legion of Mary across Canada and the United States and will be speaking to us with the hope of interesting more members in this worthy lay apostolate.

PEDAL PUSHERS CLUB

Wanted Urgently - help from parents. Registrations are pouring in and many parent-instructors will be needed. The present plan is to repeat last year's programme: Club meetings at the various locations three evenings per week for two weeks starting April 29, followed by a final session and presentation of awards on May 11. If you are willing to assist in this worthwhile programme or would like further information, phone the Department of Parks and Recreation at 599-6601. An organizational meeting will be held on April 25 at 8 p.m. at the shelter at Braeside Skating rink - and you don't have to be a parent to help. This would be an excellent project for a teenage group - or indeed any group.

Early training in traffic safety is of immense value in the saving of young lives and the Pedal Pusher Clubs sponsored by the Alberta Safety Council are a most effective means of ensuring that our youngsters form the right attitudes at an early age and learn to take care of their bicycles as well as ride them properly.

JOGGING

There are surprisingly few curious gentlemen in St. Albert judging by the reaction to the announcement about Jogging last week. If you are interested in an individual activity as part of a group and would like to join the Joggers Club phone the department.

TRACK & FIELD

The track and field divisions of the Hercules Sports Association will not be meeting this week.

SOFTBALL

If enough girls and ladies register, softball leagues will be started. If interested, phone the department.

INGE

the Gazette REFLECTS

It seems to us that St. Albert is fortunate in the kind of teen-agers we have.

These young people have been making the news in all sorts of ways and all of it good.

They've won an outstanding prize in physics at the science fair. In their churches they are using their own kind of music to present a modern kind of worship service that is impressing adults. Young local dancers staged a first in this area with their production "Wizard of Oz" which television producers thought good enough to tape. They staged a successful curling bonspiel, bringing in their counter-parts from neighbouring districts, and oldsters watch out with this kind of competition coming up in the game.

We haven't enough space here to list nearly all the activities and interest in which they have been building a fine record.

They've been wanting a hang-out - a place to meet, talk, dance, play chess and so on. Now they are up to their ears in a big program, involving a tremendous effort on their part, to get their "Sanctum" going.

This week numbers of them have called at this office for information on the Hunger March, showing a sincere concern for people and a readiness to help.

Many are wearing their hair longer, their skirts shorter - a lot of make-up and tight blue jeans. So?

On the whole we can be proud of their over-all image and grateful for the kind of people they are.

Mayor Fowler's Memo

Sponsors! Sponsors! Do I ever need sponsors for the Oxfam Miles for Millions Walk on May 4th. To date the Oxfam people have a \$30,000 per mile interest in me. I wish I could say that all this was from St. Albert but such isn't the case. Mind you most of it is but I'm still a long way off the "penny per person per mile" from the citizens of St. Albert. Numerous people have phoned in their pledges and others have stopped me on the street but I must be missing a great number of you. Believe me the last ten miles will be a hundred times easier if every mile of it is well sponsored by St. Albert people. There is still ten days before the Walk - so please give this worthy project your serious consideration. Remember - I don't ask to be your only "walker" but I certainly would like to have a greater per capita amount on me than the City of Edmonton people place on their Mayor. Last year Mayor Dantzer walked for nothing.

Feel free to phone me at town hall (599-6601) and indicate your per mile pledge. If I am not available my secretary or the operator will be pleased to take your name, address and amount.

While on the subject of worthwhile organizations many of our citizens may be interested to know that the Edmonton Aphasic Association are holding a two day seminar on Friday April 26 and Saturday April 27 at the Macdonald Hotel in Edmonton, the theme of the seminar is entitled "Education and Emotional Problems of the Most Misunderstood Child". I believe it was only last year that the residents of this town demonstrated a real interest in this group of children and their parents by contributing to the Knights of Columbus Handicapped Children's Fund which guaranteed the transportation of handicapped children to and from St. Albert to their respective schools in the city. Among the noted speakers from all over North America are Richard Cunningham director of education of Osborne School in Philadelphia Pa., Mr. G. Edgington of the University of Arkansas and many other specialists from the University of Alberta and other areas. To those of you that may be interested in this organization or the forthcoming seminar you should contact Mr. Garth Peterson of 91 Swallow Crescent in St. Albert - Telephone 599-6790, vice-president of the Edmonton Aphasic Association.

Report From the Legislature

By K. EVERITT MLA

The Minister of Highways, the Honourable Gordon Taylor, has introduced the amendments to the Highway Traffic Act. I will outline some of the most important sections.

1. Colored headlamps will not be allowed.

2. After January 1969 motorcycles sold or purchased must be equipped with an operating headlamp dimmer and the owner must use dimmer same as automobile.

3. Playground zones have been removed from the School zone and are now given a separate section. The result is that while the school zone speeds of twenty miles per hour in cities and twenty-five miles per hour in rural areas are in effect from 8:00 to 9:30 from 11:30 to 1:30 and from 3:00 to 4:30 the same restricted speeds are in effect in playground zones from 8:30 to 6:00 p.m. No passing is

allowed in school or playground zones.

4. A driver with a learner's permit must be accompanied by a licensed driver at least eighteen years of age.

5. No one under sixteen will now be permitted to drive a tractor or other self-propelled farm implement on any highway in the province. I intend to oppose this section. In this section highway refers to any municipal road, lane or anywhere the public may travel. At present the Act reads 14 years and I find it difficult to support this amendment.

The following motion was made in the Legislature this afternoon.

BE IT RESOLVED that a Special Committee be established consisting of the following members.

Honorable Mr. Taylor - (chairman); Messieurs: - Buck, Ellis, Everitt, Bull-

ock, Hyndman and Dickie. To examine and review matters relating to:

(a) reports of Royal Commissions and other legislative bodies with respect to automobile insurance;

(b) current and long range safe highway design policies

(c) driver education, particularly in our high schools;

(d) compulsory vehicle inspection program

(e) penalties provided in Federal and Provincial law particularly with respect to the use of alcohol and drugs while driving.

(f) the whole concept of driver licensing and driver control including a study of computerizing driver records in order that Alberta will have the best possible method of driver control.

AND THAT the Committee meet at the call of the Chairman in the interim between the prorogation of this Session and the next ensuing Session of the Assembly and report to the next Session of the Assembly.

I look forward to the work which lies ahead of me. Realizing that this committee must come up with some strong representation at the next Session, I accept this position with enthusiasm. I would hope that young people elderly folk, F.U.A., municipal councillors or any others will take this opportunity to make representation to this group. I hope to make another statement in this regard later in this summer.

Sparks have flown across the floor on a number of occasions. This, of course, livens up the debate. The humorous portions of debate are quite prominent when the Liberal leader takes a slash at the six Conservatives and he is quite capable of doing this. The member from Banff Cochrane who is an Independent is just what his name suggests. He's as Independent as the day is long. We never know whether he is going to sup-

All over the Map

ASTONISHING NEW GADGETS

Since the transistor revolutionized technology in 1948, industrial nations the world over have been involved in a multi-million-dollar research race to discover something even better. Now a Detroit inventor operating on Canadian and British capital has found it, says a report in the May issue of Maclean's magazine. Stan Ovshinsky a 45-year-old junkman's son who never made it past Grade 12, has come up with an electric switch that has no moving parts. Applied like a strip of varnish, the device will be able to reduce computers to cigarette-carton size and should soon usher in the flat-screen television set. With American and European electronics firms now working all out on developing the device under royalty, Ovshinsky's backers have found their investment is now worth seven times the risk capital they originally put up.

Other new scientific developments to watch out for are (1) an Equalizer that prevents TV sets from carrying sound louder than a predetermined level and hence mutes blaring commercials, (2) a small plug-in appliance that induces sleep by producing the soothing sound of gently falling rain, (3) a panoramic driving mirror - actually five mirrors in one - that provides a 180-degree field of vision or traffic lanes beside you as well as behind.

Ballet Students Take Exams

The examiner for the Royal Academy of Dancing, Miss Louise Goldsmith was in St. Albert Easter Monday and Tuesday examining pupils of Mrs. Robert Myers. The examinations, conducted at the St. Albert School of Dancing, saw thirty-six ballet students ages six to 13 from St. Albert, Griesbach and Edmonton dance individually before the examiner the exacting steps required for their particular grade.

Tuesday afternoon, with the ballet exams behind them and in a much more relaxed atmosphere, Miss Goldsmith presented the candidates in two demonstration classes before large groups of parents. The children, sensing Miss Goldsmith's friendliness, warmth and sincere interest in each and every one of them responded quickly and eagerly followed her invitation to dance.

Miss Goldsmith told the

children, whatever they did in their ballet classes must be done well... nothing but their very best effort would do... but to understand that perfection takes time and patience. Eventually, the discipline achieved over mind and body would aid them in whatever career they chose to follow.

Friday of Easter week found Mrs. Myers along with several other R.A.D., teachers from Edmonton attending a teachers' course held in Edmonton by Miss Goldsmith the Royal Academy of Dancing examiner.

Marilyn Myers, ballet teacher at the St. Albert School of Dancing is pleased to announce the results of the Royal Academy of Dancing, Ballet in education, children's examinations conducted by Miss Louise Goldsmith are as follows:

PRIMARY EXAMINATION
Commended - Adrienne

Brodeur, Angella Evans, Leslie McKeen, Sheena Laird, Christine Kempster Lynda Steele, Patricia Johnson, Pamela Tennant, Leslie LaRose, Heather Rutherford.

Pass Plus - Patricia Hughes, Nelda Schulte, Roxanne Meunier, Jennifer Michie, Barbara Langen, Irene Rasmussen.

Pass - Jill Green, Armen Mustakalem.

GRADE ONE
Highly Commended - Lea Shellemey, Jeanette Henry Michelle Zwolak.

Commended - Catherine Phillips, Peggy Sinclair, Catherine LeReverend.

Pass Plus - Marilyn Nash, Megan Walliver.

Pass - Julie Stedelbauer, Teresa Russell, Melanie Erickson.

GRADE TWO

Commended - Laura Knill, Pass Plus - Carol Craig, Cynthia Forcand, Susan Morey, Jeannine Martel.

Pass - Lori Parker, Angella Kochan.

"Blythe Spirit" Cast at Work

Len Crowther and Peter McNeill are doing the two male roles in the comedy "Blythe Spirit" in rehearsal now in St. Albert.

Len, who commutes from Edmonton for rehearsals, plays Charlie Condomine. He has been active for the past five years with the Walterdale Playhouse, and in 1965 played the lead in "Two For The See-Saw", which won an award in the Provincial Drama Festival. His latest appearance was with Mickey Macdonald in "Silent Night, Holy Night" at Walterdale. You might have seen him last week on the T.V., afternoon movie "Wings of Chance" when he acted the RCMP constable.

Peter McNeill who plays Dr. Bradman, came to Edmonton from London, England in 1958, and has made his home in St. Albert for two years. Peter is an instructor at N.A.L.T. He was in a variety of Shakespeare plays at school in England, and this is his first acting experience in Canada.

The production staff are also working hard in advance of the May 8th opening of

the play. They are Shirley Martin, assistant director; Frank Turner, stage manager; Michael Ross, properties; Wendy Dawkins and Evelyn Turner, on costumes

Peter Leonard, set design; Jost Weerhym, lighting; Delores Knill and Shirley Wilkinson, front of house and Nan Tandrup on make-up.

SPRING'S NEW LOOK is soft, pretty, feminine! Make it your look, choose from over 100 styles in our new Spring-Summer Pattern Catalog.

Student Exchange

Superintendent Chalmers of the St. Albert School District No. 6 has announced that an exchange program has been established and that 24 high school students from St. Albert will be going to Quebec in July and that 24 students will be coming to St. Albert from Nova Scotia during the same month. He mentioned that 12 students have been chosen from this

district and 12 from the public school district. He requested that the board appoint one trustee to a co-ordinating committee in order that scheduling and billeting can be arranged.

Dr. Cuts was appointed as the board's representative to the young voyageur program co-ordinating committee.

A four colour Canada Post Office 5¢ stamp to be released on 5th June 1968, will commemorate the 300th Anniversary of a perilous four month voyage of discovery by the Nonsuch into Canada's northern waters. Success of the Nonsuch venture is credited by historians with the opening of Canada's West through the fur trade.

Sailing from Gravesend

England, on the 3rd of June 1668, the tiny 43 ton 36 foot ketch Nonsuch "heaved to" on 29th of September in James Bay at the mouth of a waterway which the adventurers christened Rupert River. Their point of landing was to become the site of Charles Fort which, in turn, became Rupert's House. It was here that the newcomers from the old world met the primitive

Carrots Meatballs from Scandinavia

CARROT MEATBALLS

Fresh crunchy carrots provide one of the world's most popular eating pleasures. Apparently 17th century Dutchmen were aware of this potential. They not only developed carrot cookery in their kitchens, but similar cultivation in their gardens, even utilizing the vibrant orange of this vegetable to inject still life drama in some of their paintings.

A natural masterpiece of vitamin A abundance, carrots cooperate well with every type of cooking procedure.

The "Scandinavian Carrots Meatballs" recipe provides you with an easy-to-follow blueprint to keep your family posted on the excellence of taste happy carrots.

AARN Accepts St. Albert Group

The St. Albert Nurses Group has been officially recognized as the St. Albert Chapter of the Alberta Association of Registered Nurses. The announcement was made at the group's annual dinner meeting held April 18.

The 28 members present elected the 1968-69 executives: Mrs. Amy Olson as vice-president, Mrs. Olive

Tookey as secretary-treasurer and Mrs. Barb Wheatley to continue the two year term as president. A film on the treatment of children with deafness and hearing problems was shown followed by a film on quackery, "The Medicine Man".

Regular meetings of the Chapter will resume in fall 1968.

Eat Candy to Sober Up

More than 60,000 persons die in North American car accidents each year, about 5,000 of them in Canada. Half of these deaths are attributed to drunken driving, and "possibly" a tenth attributed to fatigue of the driver.

"You can't stop people drinking or getting tired, but they can learn how to sober-up and relieve fatigue quickly, either before or while driving", the Canadian Sugar Institute reported after a study of literature pertaining to alcohol metabolism and fatigue.

According to material

published by Rutgers University Center of Studies on Alcohol, in their "Quarterly Journal of Studies on Alcohol" the consumption of plain white sugar is believed to be the best method of detoxication.

"One of the chemicals in everyday sugar (sucrose) is levulose. It is released in the body after normal human digestion. Studies have proved that alcoholics treated with sucrose undergo the sobering-up period with ease and comfort." This knowledge applied to drivers who have imbibed an unusual amount of alcohol,

Scandinavian Carrots Meatballs.

1/3 cup fresh minced onions
2 tbsp. butter or margarine
1 egg, slightly beaten
1/2 cup milk

Local Singers Enter Show

"Barbershop goes Vaudeville" at the Jubilee Auditorium May 4 at 8 p.m. The SPERSQSA production will feature many well known barbershoppers including the "Model T Four", from Vancouver, the "Unbalanced Four" and the Edmonton Oil Capital Chorus. St. Albert barbershoppers taking part are John Gowans, Stu Rind-

ero, Ken Fehr, Len Musto, Gerry Key, Bert Swain and George Willis. Tickets at the Celebrity Box Office or from any of the aforementioned men.

could save a life.

"An intoxicated person who might drive a car should be persuaded to eat candy or drink coffee or other beverage containing lots of sugar. It will help him sober up; and with the mixture of caffeine in the coffee and the energy giving qualities of sugar, will help keep him alert and prevent him from going to sleep at the wheel."

A person who gets tired when driving should eat either pure sugar or high-sugar content foods when driving.

Lions Elect Executive

The St. Albert Lions Club elected a new executive recently. The new president is Rod Thronson, with Marcel Demers, 1st vice-president; Glen Ward, 2nd vice-president; "Pat" Patterson, 3rd vice-president; Don Parkin, lion-tamer; Gerry Key, tall twister; John Huberdeau, secretary-treasurer. One year directors are Gordon Townend and Rock Holman. Two year directors are Ron Davies and Roland Scharf. Past president is Bill Webber. Installation of the new officers will take place in July.

The Lions have resumed their regular work parties at the Lions Park and last Saturday they surveyed the wooded section of the park. Plans are to develop a camp site for tents there. It is also hoped to have regular

band concerts at the park during the summer months. Several bands from Edmonton and St. Albert have expressed an interest in participating.

Obituary

PHYLLIS WIEBE

Mrs. Phyllis Wiebe of 28 Garden Crescent passed away April 18 at the age of 49. She leaves two daughters, Mrs. R. (Wendy) Houle, Edmonton and Valerie, at home; two sisters and two brothers, Mrs. Rosina Fraser, St. Albert, Mrs. Annie Bischoff, Swift Current; Ben Hepner and Albert Hepner, Richmond, Sask. Funeral services and interment took place in Medicine Hat.

Tuberculosis: Still A Problem

Tuberculosis presents a clear example of a disease amenable to early detection. For the first two months after a tubercle germ or bacillus enters the body it can quietly multiply undetected. Then, when the primary infection is established, the body becomes sensitized, showing as a positive skin test.

In about one person in 20 with a primary infection, the germs later - sometimes many years later - take command again resulting either in the classical picture of an ill patient coughing up blood (phthisis) or in more in idiosyncrasy progressive disease. Unless regular x-rays are undertaken by those with positive skin tests, the disease will

not become apparent until a late stage - when treatment must be more difficult and take longer - and in the intervening period there is the grave risk of spreading the disease to others, especially children.

(Just a note here to those who are under surveillance after a positive skin test or for other reasons. An ordinary miniature x-ray film is not adequate for follow-up purposes; better to have a large film taken in a hospital or, when no hospital is conveniently near in a doctor's office).

Early detection results in easier cure and safety for our community.

Dr. J. M. Howell
Medical Officer of Health
Sturgeon Health Unit.

Expert Discusses Farm Safety

Preventing farm and farm home accidents in your community is a very simple job - in principle. All you have to do is find out what things are causing deaths and injuries and then eliminate those hazards. In general, arriving at a means of eliminating hazards will begin with a program of education to develop a safety-consciousness in the community. In the long run, it involves the task of making all members of every farm family safety conscious. This safety consciousness will include recognition of the danger spots around the farm and home, a knowledge of what constitutes major hazards, dangerous practices in handling farm machinery and livestock, how children may be safeguarded, an awareness of the risks in the use of electricity, and up-to-date information in first aid.

The task of getting an education program on a community-wide basis requires an organized effort. Since agriculture is well organized and is served by many agencies, every effort should be made to include safety as a definite part of the program of all organized rural activity. Moreover in communities having a local safety council, the farm safety committee should endeavour to co-ordinate its work as a part of the overall safety program in that community. A local committee is needed to give leadership to and co-ordinate the efforts of the various organizations and agencies. Such a committee will determine the phases of the program to be under-taken and emphasize

ized at a given time and arrive at ways and means of reaching program goals. All community groups interested in agricultural welfare should be represented on the farm safety committee. These groups include:

The Farm Bureau; Farm Women's Organization; 4-18 Clubs; Machinery dealers; Radio; T.V. and Press; Parent Teachers Assoc.; Farm Cooperatives; Bankers and farm loan companies; Civic groups; Soil Conservation Service; Schools; Chamber of Commerce, and other interested groups.

In future farm safety articles we will cover:

Launching the farm safety program; Buildings and farmyard; Animals; Machinery equipment and hand tools; Electricity and eight other aspects of safety on farms.
Dennis E. Glasgow,
Safety Consultant,
Chicago, Illinois.

SALK WORKS

Before the Salk Vaccine was introduced in Canada in 1952 there were 3,378 polio cases and 481 deaths; in 1966 there were three cases.

Obituary

NICHOLAS BYER

Mr. Nicholas Byer of Mearns passed away April 17, at the age of 83. He is survived by his wife, Mary; five sons and four daughters, Charles, Perryvale; Lawrence and John, Busby; Joseph and Anthony, Mearns; Mrs. C. (Mary) Stitsen, Busby; Mrs. M. (Helen) Caron, Edmonton; Mrs. L. (Theresa) Brenneis, Mearns; Mrs. A. (Rose) Brenneis, Morinville, fifty-two grandchildren and thirteen great grandchildren. Funeral services were held April 20 at St. Charles Church, Mearns. Interment in the church cemetery.

Engagement

The engagement has been announced of Wilma Louise McFarlin, daughter of Mr. and Mrs. G. A. McFarlin of Foxwarren, Manitoba to Louis Joseph Kilarski of Hinton, son of Mr. and Mrs. Paul Kilarski of Bon Accord,

Principal Reports to Thibault School Board

Present for the April 2nd meeting of the Thibault School Board were: Chairman Riopel, vice-chairman Chalfoux, Trustees Krauskopf, Kryskow and Tellier. Also present W. J. Fitzpatrick senior principal; and Paul E. Brochu, secretary treasurer.

Trustee Tellier moved that the minutes of the regular board meeting of March 19 be adopted as presented.

Alcomdale 4-H Beef Club

The Alcomdale 4-H Beef Club held its annual club tour and judging demonstration on Wednesday the 17th of April. The tour started at the home of Mr. A. Cameron where two classes of finished steers were judged by the members. Mr. Whitbread, district agriculturist was present to supervise the judging. Final judging was given by Mr. Don Rinas and Mr. Sydney Meakin. This was the second judging demonstration the club has had for this term. The first was held at the home of Mr. Ted and Don Rinas on Dec. 29. Two classes of fine cattle were judged: one class of breeding heifers and one class of feeder steers.

The tour continued on to each member's home where the member showed his calf and gave a summary of the amount and kind of feed his calf was eating. This year we were lucky enough to weigh each calf with the use of a portable scale which was brought out and transported by Mr. Don England, our district fieldman. The tour ended at the home of Mr. Paul Tompten where lunch was served.

To end the day, the club travelled to Busby with the Alcomdale 4-H Clothing Club to put on their narrative play at the annual Co-op talent night. The play was entitled "The Mime of the Ancient Mariner" or "The Lighthouse Keepers Daughter" and won first prize.

ular board meeting of March 19 be adopted as presented.

Chairman Riopel brought to the attention of the board a letter from the Town of Morinville dated April 1. Re: April 10 meeting. Chairman indicated he will attend this meeting with press release officer, Trustee Kryskow.

The senior principal presented a comprehensive report to the board on a number of educational matters, including possible staff changes. He spoke on testing in Grade nine and the Easter testing program, and described the new science texts for use in Grades one to six. Methods of identifying special cases and the Banff religion institute were also reported on by Mr. Fitzpatrick, who drew to the board's

attention the Mothers' Day program and the track meet, for which plans are underway in May.

The board authorized the trustees, secretary, treasurer and Mr. Fitzpatrick to attend the Banff Seminar in June.

Council reviewed the February monthly statement,

which was approved and checked the accounts presented for payment, before the meeting adjourned at 11:55 p.m.

Gibbons - Public Speaking contestants, from left to right: Linda Lamoureux, Edith Paradis, Cindy Allison, Sharon Visscher, Marilyn Sharun, Norma Stirton, Margaret Elliott, Jackie Blom, Susie Allison, Barbara Paradis.

Speaking Trophies Awarded

GIBBONS - On April 5, the Gibbons 4-H Garden Club held their annual Public Speaking competition in the Gibbons School. Each girl gave her own prepared speech and following that, an impromptu speech from one to one and half minutes in length. The members and their respective prepared topics were: Edith Paradis, "An Inspiration of Expo '67"; Linda Lamoureux, "To Smoke or Not to Smoke"; Barbara Paradis, "It's Up to You"; Marilyn Sharun, "The New Generation"; Susie Allison, "A Guide to Babysitting"; Margaret Elliott, "Canada's Future Prime Minister"; Norma Stirton, "Farmstead Planning"; Cindy Allison, "Coins"; Jackie Blom, "Cats"; and Sharon Visscher, "The Necessary Requirement".

The judges for the evening were Mr. and Mrs. Hancock and Mrs. Tompkins from Fort Saskatchewan, and Mr. Terry Woutack from Edmonton.

Margaret Elliott came out on top winning first prize with her speech on the next Prime Minister. Second prize was won by Sharon Visscher who spoke on kissing. Mr. Hancock, who gave

the comments on all the speeches, presented Margaret and Sharon with their trophies.

The variety night at Gibbons held on April 19 proved to be very enjoyable for all. Garden club members presented a skit called "The Lighthouse Keeper's Daughter", and report that they certainly had a great deal of fun putting it on. Saturday, April 27, the Gibbons Garden Club is planning to hold a rummage sale and tea at the Gibbons Community Hall from 2 to 5 p.m. Everyone is welcome.

New Books in at Library

MORINVILLE - New books continue to arrive at Morinville Library. Some examples are: - "Le Conte de Monte Cristo" par Alexandre Dumas, in French; and, for those who like a big book, there is "War and Peace" by Leo Tolstoy and "Northwest Passage" by Kenneth Roberts.

An excellent book on horse care is M. A. Stoneridge's "A Horse of Your Own."

For the young ones a recent arrival is "Jojo" by

Frontier Daze Dates Set

MORINVILLE - The Morinville Director of the recreational board, Father Primeau has announced the 1968 date of Frontier Daze as June 22 - 23. The following have been appointed as the executive to head Frontier Daze, Harry White, chairman; Mrs. Andy Meunier, secretary; Bruce Thom, treasurer; with the following directors: Ray McDonald, Ed. Kryskow, Roger Champagne and Anne Maslyk, Anne Kryskow will do the publicity.

A meeting was held on April 18 to plan and name committees, programs and other activities. Plans for the 1968 Frontier Daze are full of lively fun for all with sporting activities, contests, entertainment and food galore. You are all reminded to reserve June 22 and 23 for Morinville Frontier Daze.

Namao

Congratulations to the Namao PeeWee hockey team who again this year are the winners of the Highway 28 League Trophy. In the semi-finals the PeeWees defeated the Bon Accord team and went on in the finals to defeat Horsehill by scores of 11-5 and 4-2.

Congratulations are also extended to the local Bantam Hockey Team who also won the Highway 28 League Trophy for their division and were undefeated all year. Namao defeated Gibbons in the semi-finals and in the finals they defeated Redwater by scores of 7-4 and 6-4. The final game was played on Saturday, April 20.

Thibault Board Buys Convent

MORINVILLE - The Thibault R.C.P. SD. #35 has completed the purchase agreement with Les Filles de Jesus of Morinville for the buildings and four acres of land presently owned by the Sisters. The school district will take possession of the property on July 1st, 1968.

The Sisters have ended a long and historic occupancy of this notable landmark in Morinville. They will continue to reside in the convent until such time as they are prepared to move to new quarters.

Professional opinion received by the school board shows the building is of reasonably sound construction. It is presently used for school purposes and will continue to be used for classroom facilities in the future.

At present there are five classrooms, plus recreational areas being used in the convent building. It is expected that other areas of the school could be converted to classrooms if needed.

Council Studies Street Program

GIBBONS - Mr. Otto Van Dours of Stanley Associates Engineers attended the April 10 meeting of the Village of Gibbons Council to discuss possibilities of hard surfacing the main street in Gibbons. It was pointed out that a survey would be necessary to determine the hardness of the subsoil, and to repair any soft spots that might be found. Council asked Mr. Van Dours to determine from his firm how much could be done under the grant available to the village. Council moved to have the engineers do a survey of main street to see what had to be done for hard topping.

Mayor Mabbutt was asked to obtain costs for oiling some of the side streets to cut down on the dust problem. It was suggested that perhaps one or two streets could be done on a trial basis.

Mr. Mitchell and Mr. Reg. Austin came to the meeting to discuss an emergency measures program for the district of Edmonton and surrounding municipalities in case of a nuclear attack. Mr. Mitchell explained the Sturgeon Unit survival plan to a great length and asked the council for a resolution agreeing to take part in the

plant. Motion that the resolution be so accepted was carried. Three copies were signed by the secretary and returned to Mr. Mitchell. These gentlemen left the meeting at 8:45 p.m.

Larry Ruttan came to the meeting to discuss police business. As the frost was coming out of the ground it was decided to get traffic signs up as soon as possible so that law could prevail. Some dog owners have still not purchased dog licences and it was decided that after the first of May, action would be taken. The secretary was told to give a list of offenders to Larry Ruttan. Under the dog by-law if an owner does not have a licence for his dog, it may be picked up even if it is at home and a fine assessed against the owner or the dog destroyed. Larry left the meeting at 9:30 p.m.

The secretary will draw up a by-law restricting mot-

Mrs. Curtis Heads CWL

MORINVILLE - The annual meeting of the St. John the Baptist Parish Council of the C.W.L. was held on April 8. The following is a list of the newly elected officers: President, Mrs. V. Curtis; 1st vice-president, Mrs. Mary Hittinger; 2nd vice-president, Mrs. Anne Gaetz; 3rd vice-president, Mrs. Germaine Proulx; treasurer, Mrs. Shiela Houle and secretary, Mrs. Dorothy Dubord. Father Primeau spoke to the group and congratulated the new executive.

Following the election of officers Mrs. Maslyk, past president of the St. Paul Diocesan Council of the C.W.L., gave an excellent talk on the aims of the C.W.L. She urged each member to become involved in the work of the league and to give our new president all our support and enthusiasm.

Miss Minnie Bosch treated all present to a delightful trip through Europe by her showing of color slides which she took while on holiday in Europe.

orbikes on the streets after nine o'clock in the evening, due to the many complaints of noise when people are trying to sleep.

Gibbons Play Wins First

GIBBONS - The Gibbons 4-H Garden Club received the first prize award for the best radio play entered in the radio contest sponsored by CFCW Radio Station. There were 31 4-H club entries in the contest. From these, nine were chosen, and a delegate from each of these nine clubs spent an active week at Camrose hosted by CFCW. Sharon Visscher was our delegate and reports having a most enjoyable time there. Sharon accepted the trophy on behalf of the club. Needless to say, we are very proud of our achievement as this is our first venture in the radio play contest. Much of the credit goes to Sharon, as she compiled the entire script.

Congratulations to Margaret Elliott, a fourth year member of our club. She placed third in the final Sturgeon County Speak-Offs at Riviere Que Barre on Friday April 19.

Gagne-Rivard Wedding

Raymond Gagne and Janet Rivard exchange wedding vows in St. Emile's Church, Legal, with Father Ricard conducting the ceremony.

St. Emile's Church at Legal was the setting of a beautiful early spring wedding, when Janet Rivard exchanged marriage vows with Raymond Gagne. Janet is the daughter of Mr. and Mrs. Frank Rivard of Legal, Raymond is the son of Mr. and Mrs. Amedee Gagne of Vimy.

Father Ricard performed the double ring ceremony before an altar banked with lovely natural Easter Lilies and baskets of spring flowers.

The bride given away in marriage by her father looked radiant in her floor length gown of silk organza over taffeta, falling to a graceful A line skirt. Her detachable train was gathered at the empire waist accented by a large organza bow. Her silk illusion veil was held in place by a floral headpiece with crystal teardrops. She carried a cascade bouquet of bacarra red open roses.

Mrs. Irene Rivard matron of honour wore a floor length gown of melon chiffon over taffeta, with a gulfure lace bodice enhanced with a chiffon full length cape, highlighted with a band of gulfure lace gently surrounding the neck holding the chiffon softly over the shoulders. Bridesmaids, Judy Montpetit and Juliette Gagne wore identical gowns but in a capri blue shade. They all carried colonial bouquets.

Their headpieces were rhinestone tiaras.

The groom's attendant was Laurier Rivard brother of the bride and best men were Norman Huot and Louis Gagne.

Ushers were Eddy Rivard and Benoit Gagne. Soloists were Mrs. Walter Van de Walle, Mrs. Joseph Blodau and Mrs. Lucien Montpetit. Organist was Mrs. Wilfred Provencal from Vimy.

For her daughter's wedding Mrs. Rivard chose a mint green dress and coat ensemble. Her sheath dress of gulfure lace with scalloped elbow length sleeves was complimented by a sleeveless linen coat with white accessories and white roses on corsage.

Mrs. Gagne wore a light blue puff brocade jacket dress duo with white accessories complimented by a corsage of pink roses.

A banquet was held at the community centre for 265 guests with Walter Van de Walle as master of ceremonies. Some 400 people enjoyed the refreshments and dance in the evening.

For her honeymoon to Vancouver Mrs. Gagne donned a navy blue knitted suit with white accessories and red roses on corsage.

Mr. and Mrs. Gagne will reside in Westlock.

When a wife isn't the boss of the house, it's probably because she has children.

Christian Ladies Hold Convention

On April 17 St. Paul Christian Ladies were hosts to 130 ladies and their Parochial Spiritual Directors, for the first convention since the change in the name of the organization, "Dames de Sainte Anne" to the "Mouvement des Femmes Chretiennes".

Following the opening and Invocation by Diocesan director Father C. H. Berube, there was a word of welcome by the president of St. Paul Mrs. A. Genereux. The mayor of St. Paul, Mr. Jules Van Brabant brought greetings from the town. Diocesan president Mrs. Lucienne Montpetit welcomed all the spiritual directors and the ladies, reminding them that they weren't only attending the convention as Apostolic Delegates but as "True

Christians". His Excellency Bishop Luster greeted the delegates and stressed the necessity of the movements renewal.

To get in the mood everyone was asked to stand and sing the theme song that was composed especially for the convention, "We are the Christian Ladies of the St. Paul Diocese".

Reports were given by Director Father C. H. Berube, and president Mrs. L. Montpetit. Vice-president Mrs. Cora de Champlain outlined the election procedures and financial report by Mrs. Yvette Tellier secretary treasurer was heard. Father Martineau from Plamondon gave a brief talk on "The Woman in Her Parish".

To terminate the morning

session eight ladies from Morinville put on a sketch depicting a meeting not conducted with parliamentary procedures.

The men were also invited and a special program was organized for them by Mr. Gareau the district agriculturist. They joined the ladies for lunch in the cafeteria.

At 1:00 p.m. the convention resumed with a conference given by Mrs. Laurence Farly of Bonnyville. She spoke on "The Woman in Modern Society".

The Morinville group returned on the scene with a sketch of a well conducted meeting according to parliamentary procedures.

All the ladies then proceeded to the question and group discussion period followed by a coffee break.

The last speaker of the afternoon was Sister Marie Laramée who spoke on Vocations.

Mrs. Yvette Tellier conducted the plenary, she asked the secretary of every group to read the answer to specific questions they had considered.

The resolutions and elections results were conveyed by Mrs. Cora de Champlain.

The councillors elected representing the four regions of the Diocese were Mrs. Jos Blodau, Vimy; Mrs. Roland Piquette, Plamondon; Mrs. Rene Amyotte St. Paul and Mrs. Dalaire LaCorey.

As a result of their deliberations seven resolutions were presented to the convention and adopted as follows: Cont'd on Page 12

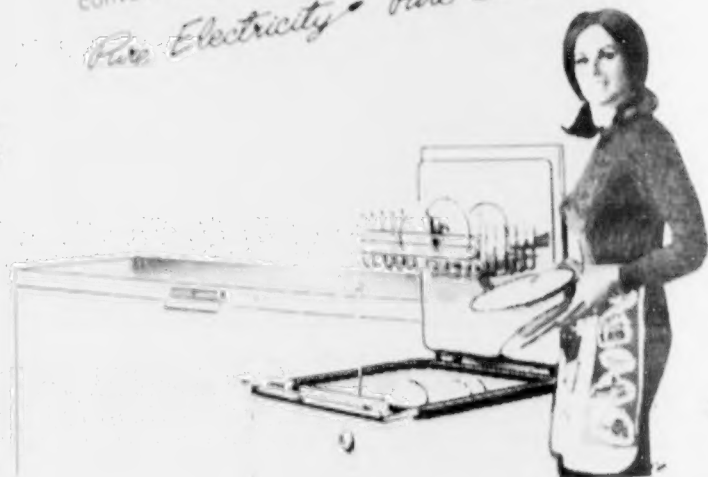

CALGARY
POWER

**The convenience
of an electric
dishwasher is
like dining out
every day!**

"GO TO ELECTRICITY!"
An adventure in modern living!

You'll enjoy your meals more when you can forget about your dishes afterwards! This convenient electrical servant washes them for you - gently, thoroughly, automatically with water so hot that they're practically sterilized! Then, they dry sparkling clean in your dishwasher. Good for your dishes! Good for your hands! Good for your family! Enjoy "dining-out convenience" every day with an electric dishwasher!

Pure Electricity - Pure Convenience!

Pictured with their equipment in front of the fire hall in Legal are members of the fire brigade. Left to right: Fire Chief Raoul St. Jean, Gaston Parent, Norman Cyr, assistant fire chief; Lucien Larose, Denis Pelletier, Robert Pelletier, Laurent Coulombe, Ronald Boisvert, Henri Charrois and "Butch" Hills. Legal News Photo.

Legal Locals

Doctor Gokiert will be back at his office Friday.

Congratulations to the ladies who attended the Christian Ladies Convention and also to the men, Legal was well represented.

Sister Sabourin and Mrs. Don Cyr are patients in the hospital.

Seeding is just around the corner, so let's organize our Fete au Village now. Attend the meeting at the recreation centre, April 25.

The missionary priest from High Prairie thanks everyone for being so generous in donating used clothing for his needy families. Special thanks is extended to Mr. A. de Champlain bringing the clothing to High Prairie.

On Sunday afternoon many friends and relatives travelled to St. Albert to attend Miss Sylvia Bergevin's bridal shower.

Mr. and Mrs. Richard Hunting entertained relatives last week to bid farewell to their son and daughter in law Mr. and Mrs. Clifford Hunting from Medley Canadian Forces base who is being transferred to Germany for three years. Before leaving they will visit Mrs. Hunting's parents in Newfoundland.

The third adult catechetical conference was held in Morinville last Tuesday and was attended by a good number from Legal and the surrounding parishes.

Vimy Column

Mr. and Mrs. Marcel Landry were recent visitors at the home of Mr. and Mrs. F. Landry.

Weekend visitors at the home of Mr. and Mrs. Wilfrid Provencal were their son and daughter-in-law Mr. and Mrs. Maurice Provencal from Peace River.

Best wishes for a speedy recovery to Mrs. Alberic Landry presently hospitalized in the Edmonton General Hospital.

The Easter services were highlighted by 18 Grade 11 pupils receiving their first communion.

Gibbons Council

Continued from Page 9

A motion carried that the fire insurance on the fire hall buildings be set at \$10,000.00 dollars.

Clean up week for the village of Gibbons will be the week of May 6 to May 11. It was decided to ask the Cubs and Scouts to assist the fire department in this worthwhile project and perhaps the council would host these clubs in some way to show appreciation.

Opening of the new fire hall was set for May 15. All interested persons from

the village and district are invited to come and see the fire equipment and meet your fire department personnel. It will also be a good time to meet the newcomers to the district. Donuts and coffee will be served.

Due to some enquiries there was a discussion on the usefulness and coverage received by the two local papers, these being the Sturgeon Journal and the St. Albert and Sturgeon Gazette. This was tabled.

Villeneuve

The community wish a speedy and complete recovery from illness to Albert Halwa who is in the Royal Alex Hospital, as well as Henry Majeau who was admitted to General Hospital.

A word of congratulations is in order to the Halwa children who won three awards in the Seed Fair.

Best wishes go out to Judy Majeau and Dr. Kenneth Gardiner whose marriage took place April 20 at Villeneuve.

Albert Lema and son Emile have been visiting in Vancouver during the past week, enjoying the early spring weather.

The Easter church services were conducted by Rev. Father O'Callaghan in the absence of Father Volk.

Mr. and Mrs. Norman Vandenhouten pose for a wedding photo outside the church. Formerly Georgette Pare, the bride was Mlle. Fete au Village for Legal last year.

green chiffon over peau de elegance floor length gowns.

Legal Couple Wed at St. Emile's

LEGAL - Baskets of spring flowers banked the altar of St. Emile's church when Georgette Pare "Mlle Fete au Village 1967" was united in holy matrimony to Norman Vandenhouten. The double ring ceremony was performed by Father Richard Theroux of Fort Saskatchewan cousin of the bride Georgette is the daughter of Mr. and Mrs. Joseph Pare and Norman is the son of Mr. and Mrs. Edward Vandenhouten.

Mlle Fete au Village given away by her father looked lovely in her floor length gown of bridal brocade and satin with long lily point sleeves. The bride's gown was sewn by her sister Doris. Her long nylon tulle veil was held in place by a rhinestone tiara. Her bouquet was of red roses with lily of valley and ribbon streamers. Her bridesmaids, Marie Benson, Pauline Nadeau and Rachelle Brisson wore identical empire waist mint

Vimy Girl Showered

VIMY - Miss Joanne Seguin was feted on Sunday afternoon at a miscellaneous shower in the Vimy community hall with a large number of ladies present. Seated at the head table with the bride to be were her mother, Mrs. Flora Seguin and Mrs. A. Boissonneault, the future groom's mother. For her shower Joanne

chose a printed sheer simplicity line dress with three quarter length sleeves. She wore white roses en corsage. The gifts were opened after a few games were played. Joanne thanked everyone for assisting and also for the lovely gifts. A delicious lunch was served by the hostesses, Miss Louise Caron, Miss Marthe Rivet and Miss Madeline Sabourin.

Joanne is the bride-elect of Jean-Louis Boissonneault from Morinville. The wedding will take place in Our Lady of Victoires Church, Vimy on April 26.

married on April 20. The newly weds will reside in Lynn Lake, Manitoba. Best wishes for a long and happy married life are extended by the community.

Christian Ladies Convention

CONTINUED FROM PAGE 10

1. That the Christian Ladies of the St. Paul Diocese united at the convention thank Honorable Raymond Rierson for the amendment in favor of teaching French in the Alberta Schools.

2. It was resolved that the Christian Ladies of the St. Paul Diocese protect against all changes of the laws that would legalize abortion and we ask the government to study thoroughly the causes and the remedy to provide for the mother's health and competency of the unborn child.

3. Members present support enthusiastically the establishment of a French T.V. Station in Edmonton, and that the Diocesan Committee forward their wish to "Radio Canada".

4. Members resolved to make constant efforts so that their children will speak French in the home.

5. It was resolved that the Christian Ladies of the St. Paul Diocese realize that their motive for a Lay Apostolic Movement does not imply on a religious basis but also to keep, and develop their French culture.

6. It was resolved that the Christian Ladies take a keen interest in promoting vocations in the Diocese, and that a diocesan committee be appointed and they would be responsible in organizing an essay contest on vocations in every school.

7. It was resolved that in the parishes where there is

the Christian Ladies Movement, that they organize in conjunction with the Clergy and Professors special Catechetical classes for parents who have small children taking the new Catechism.

The climax was given by Father G. H. Primeau of Morinville.

To complete the day the ladies attended Holy Mass concelebrated by Bishop Lussier. After Mass the diocesan committee and councillors received venerated Ste. Anne's relic, the patron saint of the movement.

Some 40 husbands joined their wives for the banquet making an attendance of 175. After His Excellency blessed the table several toasts were presented. A toast to the Holy Father Pope Paul VI was presented by Mrs. Compeau of Fort Kent, a toast to the Queen by Mrs. Cadrin from Therrien and a toast to the husbands by Mrs. Pelchat of St. Edouard to which Mr. Leonidas Cadrin replied. Special entertainment during the banquet was provided by a group of young girls from St. Paul, "The Swinging Eight's" under the direction of Mr. Laurier Levasseur.

A short program was organized by the Ladies of Legal.

Bishop Lussier drew the lucky ticket for a wig raffled by the diocesan committee. The lucky winner was Miss Simone Demers of Legal.

Namoo

The Sturgeon Valley 4-H Dairy Club went on its annual tour on April 18. The day began with a judging competition at the Sales Pavilion in which several clubs participated. The competition ended about noon and the Sturgeon Valley club members and parents began their tour starting at the farm of Joan Ebberts, where lunch was eaten. After seeing Joan's calf the tour progressed to the farm of Jacob Vokema. The tour continued to each members farm where ear tag numbers and advice was given to prepare the individual calves for achievement day. The tour concluded at the Tolma farm at about 4 p.m.

A big bouquet is extended to Mr. Leonard Crozier and Mr. Robert Stanton who coached the Fee Wees and to Mr. Reg Crozier and Mr. Gordon Akerman coaches of the Bantams who gave much of their time towards the teams.

Mr. and Mrs. C. Fawcett, Morinville spent Easter weekend at Garner Lake provincial park visiting their son Russell and wife Judy.

The diocesan committee was pleased with the wonderful response which made the convention a successful demonstration of what can be accomplished by people working together in harmony.

Early Spring in the Garden

With the first warm days of April, the urge is great to again become active in gardening. For the gardener, however, it is an anxious period.

There are many tasks that require careful thought before being attempted. One such job is uncovering roses.

If the covering is left too long, the rose shoots will become mildewed and damp off. If uncovered too early, they might be frozen by the late spring frosts.

This is a job that must be done gradually, leaving some protective covering until the new growth becomes a little hardened before full exposure to the frost and sun is given. It is better to err on the late side rather than uncover too early.

If your soil is sandy it can be dug now, but if it is heavy I would delay it for awhile. If digging was not done in the fall, it is better left until it is fairly dry and not sticky like glue. Add lots of well-decayed compost to sandy soils, and peat moss to clayey soil and supplement this with a light fertilizer such as 6-9-6.

A good clean-up of the perennial border is in order right now. Any plants that have been heaved by frost must be trodden back into place and any labels that have fallen down need to be straightened. Old peony or any perennial stalks should be cut back just below the

ground level if this was not done in the fall.

At this time of the year, it is often difficult to tell whether or not the deciduous shrubs planted last spring have survived the winter. Before giving up hope, it is best to wait until buds on other shrubs have developed. Evergreens may show brown patches, especially the yews and junipers. Before discarding them, wait until June by which time new growths may have developed and the scorched leaves will be covered.

Deciduous trees and shrubs may be planted as soon as the frost is out of

the ground. The earlier these are set out the better, although they may be difficult to get right now. Do not delay planting too long if your plants have arrived from the nursery or if you have brought them home. If the location you have marked for them is not ready for planting, dig a trench and heel in the plants until such time as you are ready to plant them permanently. Don't leave them until they have sprouted long new shoots for this will retard them almost as much as exposing their roots to the air.
